

# WHAT IS UNITY DAY?

## Unity Day and the Jerusalem Unity Prize were founded

by Mayor of Jerusalem Nir Barkat, the families of Eyal Ifrach, Gil-ad Shaer and Naftali Fraenkel, and "Gesher". Unity Day is a global movement of Jewish Unity, joining schools, youth movements, congregations and communities for activities, conversation and inspiration. It is a day to consciously derive strength from our wholeness, uniting across labels, across divisions and across communities.
